---

1. To the best of my knowledge, the material in this manuscript does not infringe upon other published material protected by copyright, and the work leading to the contribution was not performed under circumstances that would make the contribution one "made for hire" under U.S. copyright law.
2. I grant and assign exclusively to the *Journal of Agricultural and Resource Economics* (hereafter *JARE*) for its use all rights in and to the above-named article of whatsoever kind or nature now or hereafter protected by the Copyright Laws (common or statutory) of the United States and all foreign countries in all languages, including all subsidiary rights. *JARE* in turn grants to the author(s) the right to reproduce the contribution separately, in a university or institutional repository, or in any derivative work of which they are the author(s) or editor(s), subject only to giving proper credit in the work to the original publication of the contribution by *JARE*.
3. I understand that I will receive no monetary return from *JARE* for the use of the material. *JARE* will be authorized to grant or deny any requests to reprint or translate all or any portion of *JARE*'s contents to be published in a reader, anthology, second serial, digest, syndication, or non-book medium (dramatic motion picture-sight and sound-radio, television, electrical recording, electronic format.)
4. I agree to report, describe, and/or reference the complete estimation process undertaken to derive the results presented in the manuscript, including data documentation as well as model specifications estimated but not reported in the manuscript. I agree to make data used for this manuscript available at cost upon request for five years.
5. I agree to include a footnote disclosing any and all funding sources that supported the research described in this manuscript.
6. I agree to assume obligation for payment of page charges at the time of publication. Current page charges are \$79/printed page for WAEA members and \$89/printed page for nonmembers.
